## IISD'S Mission

To establish skill-based learning as a respected, structured, and globally recognized education system that transforms practical competencies into academically validated qualifications.

## What IISD Does

### Designs Programs

Creates standardized skill-based programs aligned with international qualification frameworks

### Approves Institutions

Grants academic association to qualified institutions for program delivery

### Conducts Assessments

Administers centralized examinations to ensure standardized evaluation

### Issues Certificates

Provides internationally recognized certificates with digital verification

## Our Academic Philosophy

### Skill + Structure + Assessment = Qualification

Skills are not validated by experience alone – they are validated by measurable competence, and competence is validated through trusted evaluation. IISD provides the academic framework that transforms informal skill learning into formal, recognized qualifications.

# IISD I.S.C.

## IISD International Skill Credential

Level	Title	Duration	Accreditation Fee
<b>ISC 1</b>	International Foundation Skill Certificate	3–6 Weeks	₹5,000
<b>ISC 2</b>	International Basic Skill Certificate	3 Months	₹8,000
<b>ISC 3</b>	International Skill Technician Certificate	3–6 Months	₹10,000
<b>ISC 4</b>	International Skill Diploma	1 Year	₹14,000
<b>ISC 5</b>	International Skill Advanced Diploma	1 Year	₹18,000
<b>ISC 6</b>	International Skill Professional Diploma	1 Year	₹20,000
<b>ISC 7</b>	International Executive Diploma	1–2 Years	₹24,000
<b>ISC 8</b>	International Master Skill Trainer	1 Year	₹30,000

**Registration Fee : ₹ 2000 (One Time)**

The IISD International Skill Credentials provide a clear and structured pathway for learners to grow from foundational abilities to advanced industry expertise.

The ISC Levels are based on national and international frameworks such as NSQF, NCrF, and global skill competency standards. They integrate outcome-based education, credit levels, and progressive skill complexity as defined by industry benchmarks

## Accreditations

# Courses

## Certificate Courses

## Levels 1-3

### Minimum Qualification
